

Revoke Prior Authorization & Delete Data.

If you previously authorized Spinwheel to access or provide your consumer information and would like to revoke that authorization, you may submit this form to:

- Revoke prior authorization granted to Spinwheel
- Request deletion of personal information maintained by Spinwheel, where permitted by law
- Request that Spinwheel stop reselling your consumer report through its platform

Please fill out and mail this completed form, along with copies of any supporting documentation and proof of identity (i.e., photo copy of your government-issued ID, utility bill, W-2, etc.), to:

Spinwheel Solutions, Inc.
 c/o Consumer Support
 490 43rd Street, Suite 24
 Oakland, CA 94609

Important Information Before You Submit.

Revoking authorization and deleting data with Spinwheel does not delete information from Equifax, Experian, TransUnion, or other nationwide credit reporting agencies. To remove or dispute information at the source, you must contact the appropriate credit bureau directly.

Spinwheel may be required to retain certain records to comply with legal, regulatory, audit, or fraud-prevention obligations.
